

## I Think We're Alone Now

As December Falls

"Children, behave"  
That's what they say when we're together  
"And watch how you play"  
They don't understand

And so we're running just as fast as we can  
Holding on to one another's hand  
Trying to get away into the night  
And then you put your arms around me  
As we tumble to the ground and then you say

I think we're alone now  
There doesn't seem to be anyone around  
I think we're alone now  
The beating of our hearts is the only sound

Look at the way  
We gotta hide what we're doing  
'Cause what would they say  
If they ever knew?

And so we're running just as fast as we can  
Holding on to one another's hand  
Trying to get away into the night  
And then you put your arms around me  
As we tumble to the ground and then you say

I think we're alone now  
There doesn't seem to be anyone around  
I think we're alone now  
The beating of our hearts is the only sound

I think we're alone now  
There doesn't seem to be anyone around  
I think we're alone now  
The beating of our hearts is the only sound  
I think we're alone now  
There doesn't seem to be anyone around  
I think we're alone now  
The beating of our hearts is the only sound
