

## Wither

## As Everything Unfolds

Split my soul, one half of a whole  
Never given it a chance at all  
Cry myself to sleep when I can't let go (Can't let go)  
Take me back to a time when it was all I had

In death, we resurrect  
Bring ourselves to life when we wither and die  
I feel I don't deserve this life  
(How could I come to expect this?)  
In death, we resurrect  
Bring ourselves to life when we wither and die  
I feel I don't deserve this life  
(How could I come to expect this?)

I rebel against my better judgment  
This circus of feelings sends me into corruption  
You said I'm doing better and I'm finding my way  
Feeling lost in the maze I can't escape  
For just once second, would you take it all back?  
But why would I turn away now?

In death, we resurrect  
Bring ourselves to life when we wither and die  
I feel I don't deserve this life  
(How could I come to expect this?)  
In death, we resurrect  
Bring ourselves to life when we wither and die  
I feel I don't deserve this life  
(How could I come to expect this?)

Take me back to a time when it was all I had  
I've made my peace with all of this, pushed until I can't resist  
All I am is living proof of when you tell yourself you can  
Take me back to a time when it was all I had  
"In death, we resurrect"

In death, we resurrect  
Bring ourselves to life when we wither and die  
I feel I don't deserve this life  
(I cry myself to sleep when I can't let go)  
In death, we resurrect  
Bring ourselves to life when we wither and die  
I feel I don't deserve this life  
(I cry myself to sleep when I can't let go)

In death, we resurrect  
In time, we'll reconnect
