

Bleed

As It Is

You make me wanna bleed
And never let it heal
I'd love to let it pour
'Cause it feels so good to feel
'Cause it feels so good to...

I never knew that I was lost
Life's unkind, but I never thought
That ending mine was my best shot
To take my pain and demand that it stop

Oh, how you make the sound of escape so damn inviting

You make me wanna bleed
And never let it heal
I'd love to let it pour
'Cause it feels so good to feel
'Cause it feels so good to feel
These scars mean I belong
It says so in your songs
You make me wanna bleed
You make me wanna bleed

I never knew that I was lost
Life's unkind, but I never thought
That ending mine was my best shot
To take my pain and demand that it stop

Oh, how you make the sound of escape so damn inviting
Just sing it one more time

You make me wanna bleed
And never let it heal
I'd love to let it pour
'Cause it feels so good to feel
'Cause it feels so good to feel
These scars mean I belong
It says so in your songs
You make me wanna bleed
You make me wanna bleed

I won't tell you how you're supposed to feel
No, I won't tell you how you're supposed to feel
I won't tell you how you're supposed to feel
No, I won't tell you how you're supposed to feel

You make me wanna bleed
And never let it heal
I'd love to let it pour
'Cause it feels so good to feel
'Cause it feels so good to feel
These scars mean I belong
It says so in your songs
You make me wanna bleed
You make me wanna bleed
