

Drown

As It Is

What doesn't kill you makes you wish you were dead
I've got a hole in my soul, growing deeper and deeper
And I can't take one more moment of this silence
The loneliness is haunting me
And the weight of the world's getting harder to hold up

It comes in waves, I close my eyes
Hold my breath and let it bury me
I'm not okay, and it's not alright
Won't you drag the lake and bring me home again?

Who will fix me now? Dive in when I'm down?
Save me from myself, don't let me drown
Who will make me fight? Drag me out alive?
Save me from myself, don't let me drown
(Don't let me drown)
(Don't let me)

What doesn't destroy you, leaves you broken instead
I've got a hole in my soul growing deeper and deeper
And I can't take one more moment of this silence
The loneliness is haunting me
And the weight of the world's getting harder to hold up

It comes in waves, I close my eyes
Hold my breath and let it bury me
I'm not okay, and it's not alright
Won't you drag the lake and bring me home again?

Who will fix me now? Dive in when I'm down?
Save me from myself, don't let me drown
Who will make me fight? Drag me out alive?
Save me from myself, don't let me drown

'Cause you know that I can't do this on my own

Who will fix me now?
Who will fix me now?

Who will fix me now? Dive in when I'm down?
Save me from myself, don't let me drown
