

## Evil Deeds

## As We Fight

Father please forgive me for i know not what i do  
i just never had the chance to ever meet you  
therefore i did not know that I would grow to be  
my mother's evil seed and do these evil deeds...

(1st verse) mama had a baby and its head popped off  
(head popped off 5x)

But mama don't want me the next thing i know I'm gettin dropped off  
(getting dropped off 4x)

Ring, ring, ring on the doorbell of the next door neighbors on their front p  
orch

(their front porch 4x)

But they didn't want me neither so they left me on someone else's lawn  
(else's lawn 3x)

Til someone finally took me in my great aunt and uncle Edna and Charles  
(Edna and Charles 4x)

They were the ones who were left in charge

My elementary they'd gang up on me and sing this song  
(sing this song 4x)

it went a little something like

Mary had a little lamb, little lamb, little lamb, little lamb

Debbie had a satan spawn satan spawn

mama why do they keep saying this i just don't understand understand  
and by the way where's my dad?

(chorus)

father please forgive me for i know not what i do  
i just never had the chance to ever meet you  
therefore i did not know that i would grow to be  
my mother's evil seed and do these evil deeds...

(2nd verse)

predominately, predominately, everythings always predominately

predominately-white, predominately-black well what about me?

where does that leave me? well i gues that i'm between predominately both of  
em'

i think if I hear that fuckin word again I'm scream

while I'm projectile vomiting. What do I look like a comedian to you?

do you think that I'm kidding? What do I look like some kinda idi'|

wait a minute shit, don't answer that

why am I so misunderstood? Why do I go through so much bullshit it's such bu  
llshit it's tush mull bish

woe is me, there goes poor Marshall again

whining about his millions and his mansion and his sorrow he's always drowni  
ng in

and the dad that he never had ,and how his childhood was so bad

and how his mom was a dope addict and his ex-wife how they go at it

man id hate to have it as bad as that Mr. Mathers

claims he had it, I can't imagine it

that little rich poor white bastard needs to take some of that cash out of t  
he bank and take a bath in it

man if I only had half of it, shit if you only knew the half of it|

(chorus)

father please forgive me for I know not what I do  
I just never had the chance to ever meet you  
therefore I did not know that I would grow to be  
my mothers evil seed and do these evil deeds|

(3rd verse)

evil deeds, while I plant these evil seeds

please release me from these demons u never had any of this shit planned mom

please believe  
I don't wanna be satans spawn, never got the chance to say I'm sorry  
now look at all the pain I caused  
dear santa-clause why are you not coming this year again  
what did I do that was so bad to deserve this? Everything could have been so  
perfect but life ain't a fairy tale. I'm about to be hoisted up in the air  
forty feet below me there's people everywhere  
I don't even know but who feel like they know me cause I'm in this ferris wh  
eel  
and all I wanna  
and all I wanna do is go to the mall and take Halie on the carousel  
without this crowd everywhere I go  
but life is like a merry go round  
here we go now do-si-do now curtains up the show must go now  
ring-around-the-rosie the show's over you can all go home now  
but the curtain just don't close for me  
this aint how fame was supposed to be  
where's the switch I can just turn off-and-on this ain't what I chose to be  
so please god give me the strength  
to have what it takes to carry on  
til I pass 50 back the baton, my soul is gone  
(chorus)  
father please forgive me for I know not what I do  
I just never had the chance to ever meet you  
therefore I did not know that I would grow to be  
my mothers evil seed and do these evil deeds!
