Oh nah na na no

Oh nah na na no
Oh na na na no na no

Mm mm E yin mm

My good friend
They say show me your friend
Will tell who you are
Oh my friend
I no fi deny
Ibu eze eyi
The good times we shared
Never ever ever for rent
I will never forget
(Eh we le we le nu oo)

Good times are always gold
Lately I have been so cold
And I want to be
With you my friend
(Mm e le ye le lo)
(Ewo)

Good times are always gold
Lately I have been so cold
And I want to be with you
My friend

Oh nah na na no
Oh na na na no na no

They say
Blood is thicker than water
Some friends are loyal than brothers
(True true)
It's who I run to when life sometimes gets hard
I know you will never talk behind my back
I pray that I live long with you
My friend forgive any wrong I do
I may not have money
But with you I am rich
My friend
Some families
They will judge and condemn you
But you never leave me
No you never ever leave me
I may have knowledge
But with you I am wise
My friend

Good times are always gold
Lately I feel so cold
And I want to be
With you my friend
Good times are always gold
Lately I have been so cold

And I want to be
With you my friend

Oh nah na na no
Oh na na na no na no
Oh nah na na no
Oh na na na no na no
Oh nah na na no
Oh na na na no na no
