

## How Did Love Find Me

Asa

Can you do this for me, whisper a prayer  
Something is happening, I'm so scared  
What I've waited for so long for, is finally here  
Why does it feel so wrong, why the tears  
I always give love, never thought I deserved  
To be the one to get love oh no!

So I locked my heart away,  
Thought I didn't need it anyway  
Maybe some things aren't meant to be  
Over mountains overseers,  
Where I thought no man could reach  
How did you find me, how did love find Me.!!  
I was trying to live without any water  
I was trying to breathe without any air  
Was losing the fight, and now I realized that  
I wasn't even alive

So I locked my heart away,  
Thought I didn't need it anyway  
Now, I know differently  
Over mountains overseers,  
Where I thought no man could reach

Love! You have finally found me  
My love you have found me  
You found me, you found me  
I'm so glad, you found me  
You found me, you found me oh!  
You found me (found me)  
You found me (found me)

So I locked my heart away,  
Didn't need it anyway  
Now, I know differently  
Over mountains overseers,  
Where I thought no man could reach  
Love! You have found me,  
My love you have found me.!!
