E yo oh oh oh oh
E yo oh oh oh oh

Live in the moment
Tomorrow belongs to God
Nothing can break me
Nothing can bend me
Nothing can bring me down
May love what you hate
We all deserve a chance
La la la la la la la

I don't go where no love
Where my home o
Caraibe o
Down Soweto
Long long way o

La wala walala ye
O mo we le be oh me le we
O mo we le be oh me le we
O wa Shabasha Om me le we
Oo yan we o yon we o yon we
O wa she be de oo me le we
O yon we o yon we o lo nwe
Oh lord o

Yeah show me love
I work hard
My brother man I work hard
Just to chill
I live a life that's so real
Every time I cool my tempo
Some bad dey wan enter
Is not so serious
Yeah you know I try to forget
Get a hold of head
I live a life so free (Yeah)
I don't know If I need It all
But I know I'ma take It all
Check yourself you can have It all o
Vanity you can have It all
I don see different kind of love
So I know If It's real enough
Yeah yeah yeah yeah
Yeah yeah yeah

I don't go
Where no love o
Where my home
Caraibe o
Down Soweto
Long long way

La wala walala ye
O mo we le be oh me le we
O mo we le be oh me le we

O wa Shabasha Om be le we
Oo yan we o yon we o yon we
O wa she be de oo me le we
O yon we o yon we o lo nwe
Oh lord o

I don't go o
Where no love o
Find my way home
Caraibe o
Down Soweto
Long long way o

Oh lord know
Ah oh lord know o
Life's one big road
Oh lord know
A long road
Down Soweto
Caraibe o
