

Ife

Aşa

They try to tear us apart
Said we're not made for each other
Tell you things about me so unflattering
I found someone new and you have forgotten me

All day long it never ends
Could you come back home?
This feels like hell

Won le'ri won pe jo
Oro mi lo fi n se eke
Ife ma foju mi so na
Ooooo o
Won le'ri won pe jo
Oro wa lo fi n se eke
Ife ma foju mi so na
Ooooo o
Won le'ri won pe jo
Oro mi lo fi n se eke

Is this the end of the road?
Where love will take us no one knows
A thousand miles across the sea
Is it too far to keep you away from me?

All day long it never ends
Could you come back home?
It feels like hell

Won le'ri won pe jo
Oro mi lo fi n se eke
Ife ma foju mi so na
Ooooo o
Won le'ri won pe jo
Oro wa lo fi n se eke
Ife ma foju mi so na
Ooooo o
Won le'ri won pe jo
Oro mi lo fi n se eke
Ife ma foju mi so na
Ooooo o
Won le'ri won pe jo
Eyeeeh eyy yeyy

Ke eni ma lo be o le wo

Won le'ri won pe jo
Oro mi lo fi n se eke
Ife ma foju mi so na
Ooooo o
Won le'ri won pe jo
Oro wa lo fi n se eke
Ife ma foju mi so na
Ooooo o
