

Moving On

Asa

I had to run away and hide
Something happened in the
Middle of the night
They came inside without a sound
Suddenly my life was turning
Upside down
All that I could feel was pain
As strangers came and took
My soul away
Like a deadly hurricane
I know my life would never
Be the same

[Chorus:]
Where do you go when
You're by yourself
Who comes along when you
Cry for help
I know I can't change the past
But as the river keeps flowing
I'd keep on moving on

I'm hoping for a better life
Praying that nobody's story
Turns out like mine
The only thing I know is fear
Even those with good intention disappear
All that I could feel was pain
As strangers came and took
My soul away
Like a deadly hurricane
I know my life would never
Be the same

[Chorus x2:]
Where do you go when
You're by yourself
Who comes along when you
Cry for help
I know I can't change the past
But as the river keeps flowing
I'd keep on moving on

[Bridge:]
The deed has been done
My spirit is broken
You gave me no reason
You left me with questions

[Chorus:]
Where do you go when
You're by yourself
Who comes along when you
Cry for help
I know I can't change the past
But as the river, as the river
I'd keep on moving on

[Chorus x2:]
Where do you go when
You're by yourself
Who comes along when you
Cry for help
I know I can't change the past
But as the river keep flowing
I'd keep on moving on

I'd keep on moving on
(Where do you go when
You're by yourself
Who comes along when you
Cry for help}

I'd keep on moving on
I'd keep on moving on
