

Fine boy in the Nike  
Look good speak good  
Not my type no  
Fine boy in the Nike  
Turn my world around  
Fine boy in the Nike  
So good good when we making love  
Fine boy in the Nike

Tell me how I fit to love anyone  
When you give me the world  
And when let my guard down  
You throw me the bomb

You say you love me  
Still you break my heart  
You say you love me  
Still you plague my heart

I no fit to love anyone  
Any one now  
I no fit to love anyone  
Any one oh  
I no fit to love anyone  
Any one  
You plague my heart

Thought you wanted me  
Cos you loved my energy  
And I wanted you cos I was lost at sea  
Thought I had one  
Found one found you  
(Thought I had one  
Found one  
Found you)

I no fit to love anyone anymore  
After all the things  
Wey you do me  
Oh lord  
I not fit to love anyone  
Anymore  
You break my heart

You say you love me  
Still you break my heart  
You say you love me  
Still you plague my heart

I no fit to love anyone  
Any one now  
I no fit to love after all you do me  
I no fit to love anyone  
Anyone  
You plague my heart

Say you love me

Now you break my heart  
You say you love me  
Now you break my heart
