

# The One That Never Comes

Asa

Why you want to tell me  
All your secret?  
Don't you know am a girl  
Who never falls?  
Why you want pour  
Your heart out to me?  
When you know I hit the road  
Every single time you called

Please don't tell me you falling  
Cus' I wouldn't know what to do with myself  
Please don't tell me you love me  
Cus' have be waiting waiting waiting for the one  
Who never comes.

I have look for love in all directions  
But you haven't been here all alone  
So how could it be you?  
In my dreams this was so different  
But am caught off guard  
And I don't know what to do.

Please don't tell me you falling  
Cus' I wouldn't know what to do with myself  
Please don't tell me you love me  
Cus' have be waiting waiting waiting for the one  
Who never comes.

You are the sunshine in my day  
You are the laughter  
When we say  
All the things we shouldn't say  
When the others left you stay  
Now that the cards have all been played  
Baby let's not walk away

Please don't tell me you love me  
Cus' I wont know  
What to do with myself

Please don't tell me you falling  
Cus' I wouldn't know what to do with myself  
Please don't tell me you love me  
Cus' have be waiting waiting waiting for the one  
Who never comes.
