

The Reason

Aşa

'Cause I'm the reason
'Cause I'm the reason

'Cause I'm the reason
Reason
'Cause I'm the reason

Reason

Should be
I know it, should be
Should be

"Wish it was gone."
"No."
"That I was here?"
"You're here."

Right on my, right on my
Right on my
Right on my

'Cause I'm the reason
Reason

'Cause I'm the reason

"That's why my life is as blessed as it is."

'Cause I'm the reason
'Cause I'm the reason
'Cause I'm the reason

Inbound

'Cause of part, came alone again
Someone to love me

"Did you ever think about me?"
"I don't actually remember anything, but I only remember you."
