

# You and Me

Asa

I want to be the one to woo you honey  
Take you around the world Lagos, Paris  
Blow your mind  
Oh let me

Let me be the one to impress you honey  
Take to the opera in New Delhi  
Open your mind  
Oh let me

And we will be up on Sunday morning  
Making love till the sun goes down  
And we will run across town on Monday  
To catch the train to Puddle town

Just you and me yeah yeah  
You and me yeah yeah  
Just you and me yeah yeah  
Yeah yeah

Oh let me be the one to relax you honey  
Roll your shoulders back lay down for me  
Release your mind  
Oh let me

And we'll be up on Sunday morning  
Sipping orange juice in Santiago Bay  
And we will run across town on Monday  
To take a plane to anywhere

Just you and me yeah yeah  
You and me yeah yeah  
Just you and me yeah yeah  
Yeah yeah

Tu sais baby  
Il y a tellement des chose  
Qu'on peut faire ensemble

Tu dois juste me faire confiance

And we will be up on Sunday morning  
Making love till the sun goes down  
And we will run across town on Monday  
To catch the train to anywhere

Just you and me yeah yeah  
Just you and me yeah yeah  
Just you and me yeah yeah  
Yeah yeah
