Got a fetish for the money yessir

Bring more naira I do it major  
And I'm outside with the tribe

Remember all we had to be was alive  
Now I got 20 Vs in garage  
Each house beach house overseas and a lodge  
That was 30 mgs every P I'm prescribed  
You can see it in my eyes  
Don't bother me I be in the streets on 10 When I'm high
