Asake

Magic, magic, can you imagine?
Gbewon sare bi Sonic
Tune in to the king of sounds and blues

Say na my reason I dey reason for my bed
I no dey think about anything
Na my hustle dey my head (dey my head)
As I dey work, I dey pray
I believe in Jehovah
Everything I dey do dey go well
No be everything wey you see you go talk
I no my mind anybody wey dey talk
Olohun ma dull eh
If I no come make you do, If you no do
Make I kpai for the titi if I ever ever vex

So po ti lo
Ma lo bawon fogo la lagbon
Eruku po lopo lopo
Omo ologo bami soro, ki lon so?
And awon temi dami mo
Mi o kara, mo para, mo jade tan
Eruku po lopo lopo
Omo ologo bami soro, ki lon so?

Yeah my timing was off
And my Nissan alignment was off
But my mind was enough
I was on my sh!t dog
Trick is to think like you're rich already
Did a lot of shows with no shoulder
Dropped a lot of songs that didn't blow up
But I never lost faith in this
Knew they wouldn't give it to me
Had to take this sh!t, yeah
All this time invested
Knew that I was gonna get my blessing
Knew that it was just gone take some time
But one day I'm gone shine
Imagine if would've have stopped
My family would've never got a lifeboat
Now I ain't going back to that life so
Make a lot of changing money
Everything will go nice
If I lose it all tonight
It'll be aight though

So po ti lo
Ma lo bawon fogo la lagbon
Eruku po lopo lopo
Omo ologo bami soro, ki lon so?
And awon temi dami mo
Mi o kara, mo para, mo jade tan
Eruku po lopo lopo
Omo ologo bami soro, ki lon so?

Lon so, lon so lowo

Oro wa lon so
Mr Money!
So po ti lo
Lon so, lon so lo
Eruku po lopo lopo
