SAK PASE

Oh, baby, whine, baby, whine, baby, whine, baby, whine, baby, whine
Me, I wan dey fire, make we fire dey go ah
And if you want to loco, make we loco dey go ah
Baby, don't be shy
Oh, baby, whine, baby, whine, baby, whine, baby, whine, baby, whine
Me, I wan dey fire, make we fire dey go ah
And if you want to loco, make we loco dey go ah
Baby, don't be shy

She feels like sex to me
Tell me what you put in your recipe
Opor you bring out the best in me
Omo, me plus you say na destiny
So, baby, be my fine mamacita
At the end of the day you know say me na badman
Kosi wahala peace sign
E too clear for my face say na God with the design
Omo, see, I don see signs
All I see is you, mami, you too good
Your win na my win, no play
Whenever bad man chilling next to you
E be like say I dey lose my cool
Slow pace, baby girl, no rush
Toba fe wa loke ishe nu tun lor
By the time the sun rise, me, I'm okay

Oh, baby, whine, baby, whine, baby, whine, baby, whine, baby, whine
Me, I wan dey fire, make we fire dey go ah
And if you want to loco, make we loco dey go ah
Baby, don't be shy
Oh, baby, whine, baby, whine, baby, whine, baby, whine, baby, whine
Me, I wan dey fire, make we fire dey go ah
And if you want to loco, make we loco dey go ah
Baby, don't be shy

Baby, let me redefine sexy
Shake your body, mete dança à la BR
Se apaixonou não 'cause I'm a bad bitch
'Cê vem com os papo' torto' que eu mando o sete
Viciante igual Nutella
Vai botar uma foto minha na tua tela
Crazy, crazy in love
Show me what you do no meu funk
Ele pede pra mamacita
Esse movimento lento excita
'Cê me pede certin'
Até brinco com a ponta da língua
Você nem imagina por onde você vai me ver chorar
Baby, vai, baby, vai, baby, vai, baby, vai, baby, vai
Bota tudo dentro, vai ficar querendo mais
Só sentada firme, apaga a luz, se satisfaz
Baby, don't be shy

Oh, baby, whine, baby, whine, baby, whine, baby, whine, baby, whine
Me, I wan dey fire, make we fire dey go ah

And if you want to loco, make we loco dey go ah
Baby, don't be shy
Oh, baby, whine, baby, whine, baby, whine, baby, whine, baby, whine
Me, I wan dey fire, make we fire dey go ah
And if you want to loco, make we loco dey go ah
Baby, don't be shy
