Lipstick on a cigarette stub

Kiss me like you love me and touch me like you're pissed off
I like you 'cause you're a little messed up
Kiss me like you love me and touch me like you're pissed off (Pissed off)
Lipstick on a cigarette stub
Kiss me like you love me and touch me like you're pissed off
I like you 'cause you're a little messed up
Kiss me like you love me and touch me like you're pissed off

Let your eyelids slide and rest (Slide and rest)

Don't you stress (Oh, no, don't you stress)
Know I ride for you, right by your side
Die before I ever lied
Waste love on new faces each night
Ooh, what's on your mind

Skin to skin, bone to bone

Baby, let it out
Know you got a voice in your head
I might get it out, get it out of you (Uh)
I wanna know the truth
Get it out, get it out
I'll get it out of you
(Said I'll get it out of you)

Lipstick on a cigarette stub

Kiss me like you love me and touch me like you're pissed off
I like you 'cause you're a little messed up (Are you?)
Kiss me like you love me (Oh-oh) and touch me like you're pissed off (Oh-oh, yeah)
Lipstick on a cigarette stub (On a cigarette)
Kiss me like you love me and touch me like you're pissed off
I like you 'cause you're a little messed up
Kiss me like you love me and touch me like you're pissed off

Like you're pissed off (Like you're pissed off)

Like you ain't sorry
I want you to put all the blame on me
I had to make it up to you all day
Yeah

Skin to skin, bone to bone

Baby, let it out
Know you got a voice in your head (Uh, uh)
I might get it out (Uh, uh), get it out of you (Uh)
I wanna know the truth (You betrayed me)
Get it out, get it out (Yeah, yeah)
