Asal

I've been tryna get my way with you
But you don't give me no way (no way)
I ain't tryna let you walk away from me, no way, no way (no way)
I know you crazy, that's why I can't trust the shit you say
I know you crazy, baby I know

Cause I see the fire in your eyes
Fire in your eyes
Cause I see the fire in your eyes
Fire in your eyes
Cause I see the fire in your eyes
Fire in your eyes
Cause I see the fire in your eyes
Fire in your eyes (I see the)

Don't play no games baby send me the addy
You know that none of these other bitches understand me
And you would hold me back if you couldn't even stand me
You know you're my plan A and she was just a plan B, uh
Lemme tell you what the plan is, uh
Take you back to the Valleys and back to my crib
Ima give you the candies (candies)
Then ima' show you what I'm planning
I know what you wanted I got it all if you want it
I know that I'm playing with fire but I don't mind it
You carry my mind and you got everything I wanted
I know that I'm playing with fire but I don't mind it

I been tryna get you on your own
I need you all alone
This place is cool but when you're here you make it feel like home
I see what you be on
With me where you belong
You know you keep me warm, yeah

And I see the fire in your eyes
Fire in your eyes
Cause I see the fire in your eyes
Fire in your eyes
Cause I see the fire in your eyes
Fire in your eyes
Cause I see the fire in your eyes
Fire in your eyes

Put my foot on the gas, gas
Zoom through the city like the flash
She said go fast she don't care if you crash
Way too fast you gonna turn me to ashes, yeah
And she do it with passion, yeah
And I'm taking my chances, yeah
I can tell you been practicin'
Cause you make it look magic, yeah

And I see the fire in your eyes
Fire in your eyes
Cause I see the fire in your eyes
Fire in your eyes

Cause I see the fire in your eyes
Fire in your eyes
Cause I see the fire in your eyes
Fire in your eyes
Cause I see the fire in your eyes
Fire in your eyes
(I've been tryna get you on your own)
Cause I see the fire in your in your eyes
Fire in your eyes

Cause I see the fire in your in your eyes

Cause I see the fire in your in your eyes
