

## No Good

Asal

Don't nobody ever get me like you do  
Get me like you, they don't get me like you  
You know I hate everybody but you  
Everybody but you, everybody but you  
You, you, ah-ah, ah-ah-aah  
Teenage dreaming, we up to no good  
Good, good, ah-ah, ah-ah-aah  
Teenage dreaming, we up to no good

Yeah, she always looking for another way  
Hanging with the kids that her mama told her to stay away from  
Don't care what anybody's gotta say  
Told her, "Come with me and leave your worries for another day"  
Run, run, run away to a better place  
I want nothing but to see your pretty face smiling  
Know I'll do whatever it takes  
Come and run away with me and we won't leave a trace

Don't nobody ever get me like you do  
Get me like you, they don't get me like you  
You know I hate everybody but you  
Everybody but you, everybody but you  
You, you, ah-ah, ah-ah-aah  
Teenage dreaming, we up to no good  
Good, good, ah-ah, ah-ah-aah  
Teenage dreaming, we up to no good

Can you feel the vibe? We won't get no sleep tonight  
Why's it when I'm sinning only time I ever feel alive?  
They don't feel the vibe, they wanna say I'm evil  
Ain't my fault that all the fun in living is illegal  
Oh, I got a bad case of teenage fever  
Yeah, everywhere I go, I see her  
She don't know what love is and I don't get it either  
Got a bad case of teenage fever (Fever, fever)

Don't nobody ever get me like you do  
Get me like you, they don't get me like you  
You know I hate everybody but you  
Everybody but you, everybody but you  
You, you, ah-ah, ah-ah-aah  
Teenage dreaming, we up to no good  
Good, good, ah-ah, ah-ah-aah  
Teenage dreaming, we up to no good

Good, good, ah-ah, ah-ah-aah  
Teenage dreaming, we up to no good  
Good, good, ah-ah, ah-ah-aah  
Teenage dreaming, we up to no good
