Lately you been acting like
You don't got shit to lose
I could show you, baby
Baby, you been acting like
I don't got options too

Oh, lover, I could go up to that bar and
Knock on that apartment
Baby, I got options too
Baby, go and take a look at what you started
Now you got me all in
Show you I got options too

I ain't gonna hold you back, go where your heart is saying (Oh)
I won't hold you, baby
Just don't bother coming home, girl, if it's after midnight, yeah, ye
ah (Midnight)
'Cause you know I'll be where with who
You know the 'just a friend', huh, oh yeah
Girl, I can get real shady too
I'm talking 5 percent, 5 percent

Oh, lover, I could go up to that bar and
Knock on that apartment
Baby, I got options too
Baby, go and take a look at what you started
Now you got me all in
Show you I got options too (Oh)

You be dancing with the devil when you out in California
You say you got your mothers prayers goin' for you, uh
Baby, I just hope that they're workin', uh
I just hope that they're workin'
I don't wanna blame you or put you in a corner
I don't wanna ask why, I don't wanna bore ya, uh
I just hope she was worth it (Oh)
I just hope she was worth it (Oh)

I could go up to that bar and
Knock on that apartment (I could, oh)
Baby, go and take a look at what you started
Now you got me all in (Oh-oh-oh)
Oh, lover, I could go up to that bar and
Knock on that apartment
Baby, I got options too
Baby, go and take a look at what you started
Now you got me all in
Show you I got options too
