

# promises

Asal

Making promises  
Here you go making promises, oh

Here you go making promises  
Off a couple drinks  
Now you're promisin' shit you can't keep  
Knee-deep in lies  
Knee-deep, yeah  
Here you go making promises  
Off a couple drinks  
Now you're promisin' shit you can't keep  
Knee-deep in lies  
Knee-deep

And I believed you, I believed you  
So put the blame on me (Oh), shame on me  
'Cause I believed you (Believed), I believed you (Believed)  
So put the blame on me (Oh), shame on me, yeah

You tell me what I wanna hear (Yeah)  
Say it in my ear  
Wanna disappear  
That's just how I really feel  
Told you all about my fears  
You told me you cared  
Was it really real?  
Tell me, was it really real?

'Cause I believed you  
And that's on me  
I know I'm in too deep  
That's on me (Yea-yea-yeah)  
That's on (On me)  
That's on me (On me)  
That's on me

Here you go making promises  
Off a couple drinks  
Now you're promisin' shit you can't keep  
Knee-deep in lies  
Knee-deep, yeah  
Here you go making promises  
Off a couple drinks  
Now you're promisin' shit you can't keep  
Knee-deep (Oh), in lies (Oh)  
Knee-deep (Ooh, oh yeah)  
Oh, yeah

I'm a lover girl, you don't need a lover (Lover)  
I could love you still, we'll keep it under cover (Under cover)  
Knee-deep (Knee-deep), in lies (In lies)  
Knee-deep, knee-deep (Oh yeah), yeah
