

## run

Asal

Baby let's runaway  
Fuck feeling low I'll be high any time of day (yeah)  
We don't gotta grow old we can find another way  
Mama said she don't love me no more  
Said she gonna pray for me  
She said she gonna pray  
Baby can we runaway (yeah, aye)  
Fuck feeling low I'll be high any time of day (yeah)  
We don't gotta grow old we can find another way (yeah)  
Mama said she don't love me no more  
Said she gonna pray for me (yeah)  
She said she gonna pray

Hold me till the sunrise  
Shit it feel good to be outta our minds  
I don't care if it's wrong baby cause it feels right  
Told me I'm a sinner for holding you this tight  
Ima sin all day, ima sin all night  
Go my own way fuck it I ain't gon hide  
Pop a xany, took too many  
Ima feel alright  
Go my own way I ain't saying goodbye  
Ima sin all day, ima sin all night
