

Moon River

ASAP Ferg

Moon river
Wider than a mile
I'm crossing you in style
Someday
Oh dream maker

I ain't window shopping today
(Heartbreaker)
I got a feeling today
Uh, yeah
How you feeling?
Ferg in the building
Tiffany grills with the all gold filling
[?] I'ma stack it to the ceiling
Only do it for the children
Teach you how to make a million, ayy
Tiffany for the breakfast
[?] plate for the necklace
(Moon river, be heart breaker)

{Down}
Moo-moo-moo-moon river wrist
T-Square ring
Room full of glis
Blue give me kiss
In a pool full of Cris
Canary on a finger
(Moon river)
Don't drool on my drip
How you feeling?
{Hey}
I'm feeling great
(Dream maker)
Got Elle on a block on a crate
I tell them bring all my jewels to the PJ
Believe in love and your dreams will come easy
Easy, easy, easy

My Huckleberry friend
Moon river and me
