This nigga is a jealous ass bitch
Yo mike, this nigga's a bitch
Yo Nast, my nigga I love you and all but
You be trippin' some times

Wake up, hear the story
Cause Nast was starting to bore me
We had a couple of shortys, it was two with the orgy
(Aaw here this nigga go with his fuckin' story)
I was in Russia, don't you ignore me motherfucker
We had some motherfuckers, types of bitch to fuck your mother
And fuck your brother
Hol' up, the little one
Type to lick his booty til' the doo doo come
(What type of shit this nigga on)
She nasty, but I fucked her anyway
If you like me in Russia any day
I used a condom, it ain't like a nigga went renegade
And Nast was cuffin'
He wanted to take the bitch on a little date
And it comes to find out, his black ass couldn't even penetrate
(So what I caught the fuckin' head
I heard she had aids, so I'd be motherfuckin' dead)
You motherfuckin' devil, I'ma tell Rocky
Like "I'ma kill this nigga, and don't you try stop me"
Hold on, you got a gun, you gon' really try to pop me?
(I don't give a fuck if yo ass kinda stocky
Yeah I'm the cousin of Rocky, I'm supposed to be first
