Yeah, this year we finna make a killin'  
Now the money stack up to the ceilin'  
All I know is payback, all I rep is A\$AP  
Now we finna go off in the buildin'  
I could really give a fuck about your feelings  
This'd be a schoolboy and a rude boy too  
Not a jerk like the New Boyz, groovin' like Schoolboy Q, nigga  
I done killed a few boys, nigga  
Down a couple shots, turn it up another notch  
Got a bitch that's in the spot and she faded  
Yeah, corset top with the new ass shots  
Couple Instagram likes, now she famous  
Nose job, workin' on some payments  
On a new car, now she finna trade it  
Next time, you shouldn't've sucked a nigga dick for free
