

## Phantogram Freestyle

ASAP Rocky

Marble floors, foreign whores, finna order more  
Play that French Montana song, the one with Ross, Haaan!  
Ordered new Raf, it ain't from the store  
Came with a piece, banging piece if it come to war  
She taking something off, what you stunting for?  
Fix your WonderBra, my style is rubbing off  
Swear that pussy outrageous if I'm in it raw  
Out in London Town painting all the wonderwalls  
Yeah I'm underdog, spring, summer, fall  
Niggas run to law, gun in drawers, getting bundles off  
Taking trips to Baltimore, with the raw, door to door  
Fender boss, want the vintage Porsche with the oven doors  
I just wanna have a little fun with y'all  
But on the real, no, I kill folk  
Growing up I had a best friend who used to mail coke  
Successful with the shit until the day they heard the sailboat  
My other partner got a million dollars and he's still broke  
My thot a primadonna and she whining cause her nail broke  
Niggas coming at me sideways like they hell broke  
And I'm just glad I ain't ever gotta deal dope  
Cause the vision was this tradition and pants  
Whole squad in this bitch, all we missing is Yams

Caught a wish and got bitches in France  
Chain swing, see the king and they kissing my hand
