

THE END

ASAP Rocky

This is the way the world ends
This is the way the world ends
This is the way the world ends
This is the way the world ends

Don't trip, keep calm, carry on now
Even though the wicked ones built the bomb now
Heard the stick up kids wanna burn the sun down
Got sick pigs in the ghetto buckin' us down
Dystopian, yesterday's done now
Christians waiting for Christ to come down
More money, more problems, no solution found
Can't solve 'em, niggas masked up, robbers in town
I saw the Bible upside down today
The only King James they know is 2K
They know the truth, but you gotta watch what you say
Don't be dumb, don't be doin' us stupid

This is the way the world ends
This is the way the world ends
This is the way the world ends
This is the way the world ends

How you actin' the richest, but you lackin' the wisdom?
They be jackin' the image, but don't be matchin' the rhythm
I be askin' for answers, I be askin' for givers
Not just on my behalf, but on behalf of my niggas
Not many Blacks hit a billion, but still we packin' the prison
The Klan got too many members, this' all the devil's agenda
If I die for a nigga, it's gon' be Riot or RZA
I know some niggas stay quiet and probably die in the system
It's hard to sing, sunshine, come on then
We're global warming, newsflash, we at war, a global warning
I don't know if public schools serving real food to the students, shit taste
s like institution
How many school shootings happen in the hood?
You've been surface, been inconclusive
Ain't plantin' trees no more, ain't plantin' seeds no more
Ain't no birds and the bees no more, I guess it's just me

(This is the way the world ends)
(This is the way the world ends)
(This is the way the world ends)
(This is the way the-)
This is the way the world ends
This is the way the world ends
This is the way the world ends
This is the way the world ends

I saw this in my dream, burnt on a big sun
The angels sang to me while I'm fast asleep
This is the way the world ends
Preachers got nothing to preach, teachers got nothing to teach
No kids playing the strings, no smiles showing their teeth

No books for them to read, we're all stuck to our screens
Look at the way the world ends
Look at the way the world ends
Look at the way the world ends
Look at the way the world ends

Mmm

Mmm
