

Pass The Torch

ASAP Twelvyy

I'm a day late and a dollar short
Really think about it what a dollar cost
I wanna hire moms what I'm striving for
What it take to make it get a mazel tov
Inspired by the people wrote a monologue
Everything in common I'm a connoisseur
Car catching dust I should drive it more
Hooked on phonics to the Commodores
I was on Lacombe selling Tylenol
Staying out the county it's a commonwealth
Focus on myself gotta find myself
Kept it the frame I should model more
Fighting every battle every scar a score
Staring at the Sony watching Happy Days
Elden ring streaming had to stash the blade
Reddit thread list for my accolades
Need a vacation like the Griswolds
Middle of the Summer and my fit Fall
Collectors kept calling I was pissed
Nelly said it's all in the wrist
Where I'm from ya best friend could be ya pitfall
Fortress at the pit stop big dogs
Glenn Robinson I'm all about the bucks
Goodfella martini in a tux
Thirty six o's on the sixth floor
Comme cardigan hide the kevlar
Thirty six chambers to the fifth ward
Out the window bruh man off the fifth floor
I'm the type to throw a hundred in the tip jar
Bearbricks round the crib match the Kaws
I could make a million off my flaws
Buy mama love the house and do the chores

Swimming with the sharks this feel like Jaws
These haters on my dick they gotta pause
Defender by the fort, came up off a loss
Rebel without a port I taught a course
Pass the torch

Comic book and guns I look like Thor
Thunder on my side I feel like dort
Microdosing shroomies for the thoughts
Dashing in the 6 I pull up sport
Eating with my hands fuck a fork
Kids gotta eat I'm tryna teach em how to leap
Life's a beach chair I'm having sex on the beach
Glock in my briefs, Margiela on my briefcase
Sporty I'm a thief
Philly eating cheesesteaks
Mitchell with the ness
Got my Jordan's off a Eastbay
Want the 17s the one that come with the briefcase
She a cheap trick tried to label me a cheapskate
Running with the game like Nat Turner in a free state
Richard Pryor funny had to kill em with the free base
Blockie from the akhis somebody told me that they weed laced
My uncle watched The Wire twice now he think he Weebay

Family the only thing that matters in the house like I'm 3J

Swimming with the sharks this feel like Jaws

These haters on my dick they gotta pause

Defender by the fort came up off a loss

Rebel without a port I taught a course pass the torch
