

Once Again

ASG

And once again
I'm in line
My suffering countless time
Hold these dreams
Cast aside my fucked sense of pride

Once again I penetrate these lies
You fuck with my pride?
Once again I see these lies

And once again
I'm outside
My self-inflicted scars
Spread my seeds
Bust inside my fucked state of mind (mind)

Once again I penetrate these lies
You fuck with my pride? (pride)
Once again I see these lies
