

Afterglow

Ásgeir

Afterglow, afterglow
Afterglow, magic show
Shine across the earth tonight
Shimmering over the ocean
Glow, it's a glow
Glow, it's a magic show
Gleaming up on the earth so bright
Moving along in slow motion

River of light
I know the afterglow makes it alright

Wonderland, wonderland
Wonderland is at hand
Lustre inside this heart of mine
Chasing away the shadows
Land, wonderland
Wonderland is at hand
All abiding under your shine
Revel in all that you disclose

River of light
I know the afterglow makes it alright

Afterglow, afterglow
Afterglow, magic show
Shine across the earth tonight
Shimmering over the ocean
Glow, it's a glow
Glow, it's a magic show
Gleaming up on the earth so bright
Moving along in slow motion

River of light
I know the afterglow makes it alright
River of light
I know the afterglow makes it alright
