

## Annabel

Ash

Now the path ahead is gone  
Now the fight is really on  
I can see real trouble if we wait  
Don't hesitate

Annabel, have no fear  
You can be my Guinevere  
In the storm I will draw you close  
In the tempest, in the snow

Now the fire is getting strong  
Now the rules have been withdrawn  
I can see destruction if we wait  
Don't hesitate

Annabel, have no fear  
You can be my Guinevere  
In the storm I will draw you close  
In the tempest, in the snow

In the storm I will draw your close  
In the tempest, in the snow  
In the storm I will draw you close  
In the tempest, in the snow
