

Anyway

Ash

You can take your time, but when you're ready I'll be standing in line.

My friends keep asking why, asking why I wanna make you mine, but,

I tell 'em they can go away, I'll do whatever just to make you stay, but in the meantime I'll just wait.

I know you don't want my love, I know you don't need it but I love you anyway.

I know you don't want my love, I know you don't need it, but I love you anyway.

I know you don't want my love, I know you don't need it, but I love you anyway.

I know you don't want my love, I know you don't need it, but I love you anyway

Love you when you make me smile, love you when you don't, love you even when you piss me off.

Love you when you're here with me, even when we disagree, I'm loving you no matter what it costs.

So baby, please don't go away. I'll do whatever just to make you stay. And in the meantime I'll just wait.

I know you don't want my love, I know you don't need it but I love you anyway.

I know you don't want my love, I know you don't need it, but I love you anyway.

I know you don't want my love, I know you don't need it, but I love you anyway.

I know you don't want my love, I know you don't need it, but I love you anyway

You say you don't need, my love. Don't need, my touch, don't need me to, believe in you, when you have given up.

But, baby I swear, you do. And I know you know it too, so don't run from me, I need you to see, my heart. (Oh Oh Oh baby!)

I know you don't want my love, I know you don't need it but I love you anyway.

I know you don't want my love, I know you don't need it, but I love you anyway.

I know you don't want my love, I know you don't need it, but I love you anyway.

I know you don't want my love, I know you don't need it, but I love you anyway
