

Chinese New Year

Ash

The Chinese New Year has come
Brought so many changes
All we know is strange but
Changes to our lives
Changes to our lives

The trail of turmoil left in the wake of the dragon
The figure across the sky
And out of our lives
Out of our lives

So many changes

So many changes
For the good

The Chinese New Year has come
And brought with it new meanings
Vanishing up feelings
I'll just let it go
I'll just let it go

In its trail, the dragon's tail left a wake of turmoil
The figure out of the cosmos
And out of our lives
Out of our lives

So many changes

So many changes

Last days
Of pain
They fade
And wait
Now nothing
That I say
Could hurt you
In any way

The Chinese New Year has come
And brought so many changes
Changes to our lives
I'll just let it slide
I'll just let it slide

The trail of turmoil left in the wake of the dragon
The figure across the sky
And out of our lives
Out of our lives
