

Comet Tempel 1

Ash

I fell in love with a girl
I fell in love with the city
I fell in love with the music
I fell in love with the feeling
I fell in love with her hair
I fell in love with her mouth
I fell in love with her name
I fell in love with her passion

What is the meaning?
What is the meaning?
What is the meaning?

What is the meaning?
What is the meaning?
What is the meaning?

Go look in the black ocean
Go look into the void
Go look into your soul
It doesn't make any sense
I can't stand the rain
It's so far away
Go to the cold sea
Was a raging sea

What is the meaning?
What is the meaning?
What is the meaning?

What is the meaning?
What is the meaning?
What is the meaning?

Oh what is this feeling
What is this feeling, oh
What is the meaning
Just won't let go

I've never felt such pain
Just like living the wrong place
I felt in a sudden scream
I'm lost in a drunken dream

Well you can burn your bridges
You can cut out your heart
If you believe these visions
It could tear you apart

I fell in love with a girl
I fell in love with the world
I fell in love with her name
I fell in love with her passion

What is the meaning?
What is the meaning?
What is the meaning?

What is the meaning?

What is the meaning?

What is the meaning?

Oh what is this feeling

What is this feeling, oh

What is the meaning

Just won't let go

What is the feeling

Just won't let go

What is the feeling

Just won't let go

Just won't let go

Just won't let go
