Who's up?
I can't sleep tonight
If anyone wants to get a beer
Just give me a call
I need one
It's almost 2am
The bars are still open god damn it

Crashed out wasted
(Crashed out wasted)
Last chance wasted
(Last chance wasted)

Crashed out wasted
(Crashed out wasted)
Crashed out wasted

Where are you tonight?
What you up to tonight?
Where are you tonight?
What you up to tonight?

I'm thinking of you tonight
I'm looking for you tonight
I'm thinking of you tonight
I'm looking for you tonight

Meet me at Broken Land
I'll meet you at Broken Land
I'll meet you at Broken Land
I'll meet you at Broken Land

I'm walking up Lorimer
I'm walking up Lorimer
I'll meet you at Broken Land
I'll meet you at Broken Land

I'm lonely for you tonight
I'm looking for you tonight
(Crashed out wasted)
I'm lonely for you tonight
I'm looking for you tonight
