

Deadly Love

Ash

I don't want to make it worse
Though I always will
I just want to make it work
I don't want to win

How can I survive this deadly love?
How can I survive this deadly love?

Tell me where my story leads
I am curious
Tell me what your motive is
Are you one to trust?

How can I survive this deadly love?
How can I survive this deadly love?

I just can't break free
You're hurting me
You're breaking me
What can I believe?

How can I survive this deadly love?
Oh, how can I survive?
Oh, how can I survive?
Oh how can I survive this deadly love?

There is nowhere left to turn
Do I have a choice?
Where's the cry straight from the heart
When you have no voice?

How can I survive this deadly love?
How can I survive this deadly love?

I just can't break free
You're hurting me
You're crushing me
What can I believe?

How can I survive this deadly love?
Oh, how can I survive this deadly love?
Oh, how can I survive this deadly love?

How can I survive this deadly love?
Oh, how can I survive this deadly love?
Oh, how can I survive this deadly love?
How can I survive this deadly love?
