

Ghosting

Ash

Did you get what you wanted?
Are you left feeling haunted?
Maybe I'll get back to you
Maybe I'll walk right through you

I'm ghosting
I'm ghosting
I'm ghosting
I'm coasting out on you
On you

Is there no explanation?
A leap of imagination
Maybe you'll see right through me
Maybe you're going crazy

I'm ghosting
I'm ghosting
I'm ghosting
I'm coasting out on you
On you

Here goes

I'm ghosting
I'm ghosting
I'm ghosting
I'm ghosting
I'm ghosting
I'm ghosting
I'm ghosting
I'm coasting out on you
On you

Boo hoo
It's true
It's true
