1. Move closer

B A B

set my mind on fire

B G

taking over

B A B C# B A B

the world seems so alive oh uh-oh, the world seems so alive

R: She slips into my mind and she is gone, gone to set the score,

F# B F# B C# B

gone into the time when ... any lies.

B As B F#

My brother started school again today,

for to pass the time, to occupy my mind while I'm waiting for her.

2. Time in basement

listening to the rain

Thinking things over

I think it over again, oh uh-oh, I think it over again

R: She slips into my mind...
