

## Let's Ride

Ash

Consider quitting, but it just won't sit  
Knocked on the canvas but I won't submit  
Pushed to my limits and I almost cracked  
This tide is turning and I'm fighting back

Let's ride  
Leaving behind all we know...  
Tonight  
I will set your heart at glow...

Don't let them tell you that it can't be done  
I learned to pay no heed to anyone  
It flies right off me when they criticize  
I keep my mind fixated on the prize

In a hole the darkest chasm  
Black as night too deep to fathom  
Felt the pressure take it's toll and  
It got out of my control  
At the edge of desperation  
When I felt your inspiration  
The point of no return  
It's time to let it roll
