

# Mind Control

Ash

Am I losing control?  
An obsessional state has taken hold  
Mind, body and soul  
I'm under a spell and it's not letting go  
Feeling so strange  
I don't understand what has suddenly changed  
Got me so down  
How long will it take til you come around?

What the fuck is going on?  
What the fuck is going on?  
What the hell is happening in my head?

Is it all in my brain?  
I'm starting to fear that I'm going insane  
All your secretive lies  
Is the way that I'm acting not justified?

What the fuck is going on?  
What the fuck is going on?  
What the hell is happening in my head?

You're out late at night  
Not taking my calls  
I feel something ain't right  
Out of nowhere  
A shock to the system sends me there  
I'm lying awake  
My mind in a panic  
My body shakes  
Right to the core  
All the subconscious thoughts that I can't ignore

What the fuck is going on?  
What the fuck is going on?  
What the hell is happening in my head?  
What the fuck is going on?  
What the fuck is going on?  
What the hell is happening in my head?
