

Shining Light

Ash

Roman candles that burn in the night
Yeah, you are a shining light
You lit a torch in the infinite
Yeah, you are a shining light
Yeah, you light up my life

You have always been a thorn in their side
But to me you're a shining light
You arrive and the night is alive
Yeah, you are a shining light
Yeah, you light up my life

We made a connection
A full on chemical reaction
Brought by dark divine intervention
Yeah, you are a shining light

A constellation once seen
Over royal Davids city
An epiphany you burn so pretty
Yeah, you are a shining light

You are a force, you are a constant source
Yeah, you are a shining light
Incandescent in the darkest night
Yeah, you are a shining light

My mortal blood I would sacrifice
For you are a shining light
Sovereign bride of the infinite
Yeah, you are a shining light
Yeah, you light up my life

We made a connection
A full on chemical reaction
Brought by dark divine intervention
Yeah, you are a shining light

A constellation once seen
Over royal Davids city
An epiphany you burn so pretty
Yeah, you are a shining light

These are the days you often say
There's nothing that we cannot do
Beneath a canopy of stars
I'd shed blood for you

The north star in the firmament
You shine the most bright
I've seen you draped in a electric veil
Shrouded in celestial light

We made a connection
A full on chemical reaction
Brought by dark divine intervention
Yeah, you are a shining light

A constellation once seen
Over royal Davids city
An epiphany you burn so pretty
Yeah, you are a shining light
Yeah, you light up my life

Yeah, you are a shining light
Yeah, you light up my life
