Roman candles that burn in the night Yeah, you are a shining light You lit a torch in the infinite Yeah, you are a shining light Yeah, you light up my life

You have always been a thorn in their side But to me you're a shining light You arrive and the night is alive Yeah, you are a shining light Yeah, you light up my life

We made a connection A full on chemical reaction Brought by dark divine intervention Yeah, you are a shining light

A constellation once seen Over royal Davids city An epiphany you burn so pretty Yeah, you are a shining light

You are a force, you are a constant source Yeah, you are a shining light Incandescent in the darkest night Yeah, you are a shining light

My mortal blood I would sacrifice For you are a shining light Sovereign bride of the infinite Yeah, you are a shining light Yeah, you light up my life

We made a connection A full on chemical reaction Brought by dark divine intervention Yeah, you are a shining light

A constellation once seen Over royal Davids city An epiphany you burn so pretty Yeah, you are a shining light

These are the days you often say There's nothing that we cannot do Beneath a canopy of stars I'd shed blood for you

The north star in the firmament You shine the most bright I've seen you draped in a electric veil Shrouded in celestial light

We made a connection A full on chemical reaction Brought by dark divine intervention Yeah, you are a shining light A constellation once seen
Over royal Davids city
An epiphany you burn so pretty
Yeah, you are a shining light
Yeah, you light up my life

Yeah, you are a shining light Yeah, you light up my life
