

## Thinking About You

Ash

I haven't seen you since this morning  
I'm filled with the sweetest pain  
A constant aching in my soul  
That just won't go away

I'm thinking about you  
Thinking about you  
I'm thinking about you  
Thinking about you

In the quiet hours before the dawn  
Talking quietly in the hall  
Windows open on the streets below  
As a light rain started to fall

I'm thinking about you  
Thinking about you  
I'm thinking about you  
Thinking about you

After a night beside you  
A night alone is cold and barren as before  
A constant craving  
Persistent rain  
Incessant longing all through the day  
In the soft half light of dawn  
Feel the closeness of every breath  
See your body outlined  
Your form  
Your silhouette

I haven't seen you since this morning  
Still everywhere you remain  
Thoughts of you on my mind  
All through the rainsoaked night

I'm Thinking about you  
Thinking about you  
I'm thinking about you  
Thinking about you
