

Feel So Good

Ashanti

Hey, baby, baby
May I have a word with you
I've been watching you from over here
And I've been wonderin' if I could get to know you
I think you got what I want and all I'm asking for
So baby would you spend some time
And I could find a way to make you mine

Oh, my baby (My baby)
Hoo, you drive me crazy
I can't even ask for more
'Cause boy, I think you've got it all

Oh, my baby (My baby)
Hoo, you drive me crazy
I can't even ask for more
'Cause boy, I think you've got it all

Ooh, you make me feel so good
I'll do what you ask me to
Ooh, you make me feel so right
Every day and every night

Ooh, let me tell you how much I'm in love with you
From the moment that I saw your face
I never ever thought about you bein' replaced
I know that I have found the guy that I've been lookin' for
I threw my other numbers out the door
'Cause I know I don't need 'em anymore

Oh, my baby (My baby)
Hoo, you drive (Mmm) me crazy
I can't even ask for more
'Cause boy, I think you've got it all

Oh, my baby (My baby)
Hoo, you drive me crazy
I can't even ask for more
'Cause boy, I think you've got it all

Ooh, you make me feel so good
I'll do what you ask me to (I'll do, I'll do what you want me to)
Ooh, you make me feel so right
Every day and every night (Every day, every day and every night)
