Bachelorette

Ashe

I wish I had the right words to say
'Cause I don't wanna be alone
I'll never have the right words to say
'Cause I won't tell you stay or go, oh

This is a lose, lose, lose, lose, lose, lose, lose
And I'm gonna lose, lose, lose, lose, lose, you

Why do I have to ask you?
Why do I have to at all, at all?
Don't force my hand to be the bad guy
When either way we're gonna lose
So why do I have to ask you at all?

(Why do I, ask you, ask you at all, ask you?)

My stomach's turning in the in-between
Why is it so hard to make your mind up?
It's not fair if you leave it up to me
I can't be the one to decide for us

This is a lose, lose, lose, lose, lose, lose, lose
And I'm gonna lose, lose, lose, lose, lose, you

Why do I have to ask you?
Why do I have to at all, at all?
Don't force my hand to be the bad guy
When either way we're gonna lose
So why do I have to ask you at all?

(Why do I, why do I, why do I at all?)

If I lose you this way then I never had it
If I have to explain then you'll never get it
If you leave anyway then you never meant it
If I lose you this way then I never had it
If I have to explain then you'll never get it
If you leave anyway then you never meant it

Why do I have to ask you?
Why do I have to at all, at all?
Don't force my hand to be the bad guy
When either way we're gonna lose
So why do I have to ask you at all?

If I lose you this way then I never had it
If I had to explain then you'll never get it
If you leave anyway then you never meant it
(At all)
If I lose you this way then I never had it
If I had to explain then you'll never get it
If you leave anyway then you never meant it
(Ask you at all)
