

Loose Ends

Ashe

I'll pretend, I don't if I'll break or bend
Trippin' up over my loose ends
"Oh, what if it's like..."

I can't tell, where or when
But I lost myself
Left behind what I could not sell
Sleepless nights in a cheap hotel
'Spite all the pain that you put me through
I would've stayed if you asked me to
Oh my, my
Can't you see?
You told yourself that it's meant to be
After a while, even you fooled me
An honest face on a fake ID
Love is a game that you let me lose
I would've stayed if you asked me to
Oh my, my

I-I-I don't know what I'll do, or where I will go
Can't stay here, and I can't go home
Lookin' for some kinda sad
I-I-I'm afraid, can't go back to the mess I made
I'll pretend 'til the memories fade
Until I run out of time
I-I-I, I-I-I

I'll pretend, but I don't if I'll break or bend
Trippin' up over my loose ends
I can't talk to all my old friends
They've all run out of sympathy
I don't blame them, givin' up on me
Oh my, my

I-I-I don't know what I'll do, or where I will go
Can't stay here, and I can't go home
Lookin' for some kinda sad
I-I-I'm afraid, can't go back to the mess I made
I'll pretend 'til the memories fade
Until I run out of time
I-I-I, I-I-I, I-I-I, ooh, I-I-I

I can't tell, where or when
But I lost myself
I left behind what I could not sell
Sleepless nights in a cheap hotel
'Spite all the pain that you put me through
I would've stayed if you asked me to
Oh my, my
