

# Real Love

Ashe

You may not look like me  
You may feel differently  
But I can tell it from your face  
I know hope gets hard to find  
No love can fall behind  
And I don't need to know your name

'Cause at the end of the day, yeah  
We all go through the same  
Shit luck, bad sex, no cash  
Fuck love, break-up, sad ex, yeah

Everybody, everybody  
Everybody wanna have a good life  
Too many get a hard life  
Take it with a smile, get by  
Nobody, nobody, nobody  
Nobody want a fake love  
We want that real love  
Give us that real love

You can't please the whole world  
I've tried and I have failed  
Only love you'll find is real

'Cause at the end of the day, yeah  
We all go through the same  
Shit luck, bad sex, no cash  
Fuck love, break-up, sad ex, yeah

Everybody, everybody  
Everybody wanna have a good life  
Too many get a hard life  
Take it with a smile, get by  
Nobody, nobody, nobody  
Nobody want a fake love  
We want that real love  
Give us that real love

Everybody, everybody  
Everybody wanna have a good life  
Too many get a hard life  
Take it with a smile, get by

Everybody, everybody  
Everybody wanna have a good life  
Too many get a hard life  
Take it with a smile, get by  
Nobody, nobody, nobody  
Nobody want a fake love  
We want that real love  
Give us that real love
