

Serial Monogamist

Ashe

You can say that I can stay
But, no, you can't have it your way
I'm sayin', "Bye, bye, bye," to those days
But I would say that we should wait
Just to see how long it'd take
Then we'd lie, lie, lie to each other, babe

Been a serial monogamist and I'm serious that I don't miss
The arguments or checkin' in at midnight
So tell me if it's okay now

To take off your clothes but by morning I won't try to hold you
(Hold you)
Promise I won't call you later, try to get to know you (Know yo
u)
Da-da-da-da-da, da-da-da-da-da-da-da-da, hold you (Hold you)
Da-da-da-da-da, da-da-da-da, don't wanna hold you (Hold you)
Hold you up, hold you down, hold you to comin' back around
Ah-ah, ah-ah, ah-ah-ah-ah-ah

Used to live inside my head, felt so guilty in your bed
For a while, while, while it was complicated
Please don't feel bad when I'm gone
You can call me what you want
But don't dial, dial, dial my number, baby

Been a serial monogamist and I'm serious that I don't miss
The arguments or checkin' in at midnight
So tell me if it's okay now

To take off your clothes but by morning I won't try to hold you
(Hold you)
Promise I won't call you later, try to get to know you (Know yo
u)
Da-da-da-da-da, da-da-da-da-da-da-da-da, hold you (Hold you)
Da-da-da-da-da, da-da-da-da, don't wanna hold you (Hold you)
Hold you up, hold you down, hold you to comin' back around
Ah-ah, ah-ah, ah-ah-ah-ah-ah
