

# The Same

Ashe

Think you stole the air out of  
The room tonight 'cause I can't catch my breath  
When you hold me close  
And don't let go  
I can't fight this feeling in my chest

Oh, I love the way you smile  
And the way you say my name  
Oh, I think I'll fall apart if  
You ever go away  
Maybe now that you are right here  
I found summer in the rain  
Oh, I'll always, always feel the same  
Oh, I'll always, always feel the same

Think you stole the air out of  
The room tonight 'cause I can't catch my breath

I still love the way you smile  
And the way you say my name  
Oh, I think I'll fall apart if  
You choose to stay away  
Oh, I wish that you were still here  
While the summer turns to rain  
Oh but nothing, nothing stays the same  
Now I know nothing, nothing stays the same
